### **PROPOSED RESOLUTIONS**

Submitting a Proposed Resolution sponsored by

ROBERT B. STEELE, County Commissioner

#### **PROPOSED RESOLUTION**

#### **FEES-BASED PARKING INITIATIVE REPORT DEADLINE**

**WHEREAS**, on January 9, 2007, the Cook County Board of Commissioners approved Resolution 07-R-45, Fee-Based Parking Initiative; and

**WHEREAS**, Resolution 07-R-45 requested that the Chief Financial Officer of Cook County work with the Cook County Department of Facilities Management and the Cook County Department of Revenue to "assemble a plan to create, implement and enforce fee-based parking for all Cook County owned parking lots that do not already have such a program in place;" and

**WHEREAS**, the intent of Resolution 07-R-45 was to have a plan to generate additional revenue through a fee-based parking initiative before the Cook County Board of Commissioners in time to help offset some of the historic County deficit for fiscal year 2007; and

**WHEREAS**, Resolution 07-R-45 did not set a deadline for the fee-based parking initiative report to be presented to the Cook County Board of Commissioners; and

JOURNAL OF PROCEEDINGS FOR FEBRUARY 21, 2007

**WHEREAS**, due to Cook County needing to generate revenue in fiscal year 2007, the fee-based parking initiative plan needs to be delivered to the Cook County Board of Commissioners in time for the Board to implement said plan in fiscal year 2007.

**NOW, THEREFORE, BE IT RESOLVED**, that the Cook County Board of Commissioners requests that the Fee-Based Parking Initiative Report to be generated by the Chief Financial Officer of Cook County and the Cook County Departments of Facilities Management and Revenue, as requested in Cook County Resolution 07-R-45, be completed and presented to the Cook County Board of Commissioners no later than April 12, 2007.

\* \* \* \* \*

Submitting a Proposed Resolution sponsored by

ROBERT B. STEELE, County Commissioner

PROPOSED RESOLUTION

**PERFORMANCE-BASED SERVICE CONTRACTING INITIATIVE**

**WHEREAS**, Cook County is faced with a historic budget deficit for fiscal year 2007 that exceeds \$500 million; and

**WHEREAS**, Cook County has vigorously sought to identify cost-saving opportunities which has necessitated reductions in mission critical services and reductions in the workforce; and

**WHEREAS**, Cook County continues to increase spending on Professional Service and Managerial Service contracts at an annual compounded growth rate of 50%; and

**WHEREAS**, Cook County needs to be able to demonstrate to taxpayers and its employees, the operational and financial benefits of said contracts; and

**WHEREAS**, Performance-Based Contracting is a procurement method that focuses on achieving pre-defined outcome rather than focusing on the vendor or the activities; and

**WHEREAS**, Performance-Based Contracting is tied to metrics and standards that can be measured and audited; and

**WHEREAS**, for the past decade, the federal government, as well as many state and local governments, have successfully adopted Performance-Based Contracting for this expressed purpose; and

**WHEREAS**, under performance-based contracting, Cook County would have the option of exercising Gain-Sharing whereby zero payments would be made to contractors and they would instead share in revenue gains; and

JOURNAL OF PROCEEDINGS FOR FEBRUARY 21, 2007

**WHEREAS**, an immediate benefit from Performance-Based Contracting is that it provides a proven framework that enhances the outcomes associated with said contracts and helps to materially reduce financial risk and cash outlays, which in turn save the County millions of dollars annually which promotes transparency, accountability, and good governance.

**NOW, THEREFORE, BE IT RESOLVED**, that the Cook County Board of Commissioners requests that the Office of the Chief Purchasing Agent, under the direction of Cook County's Chief Financial Officer, shall formulate a phased plan to implement and enforce: Performance Based Contracting for Professional Service and Managerial Service Contracts; and

**BE IT FURTHER RESOLVED**, that this plan should be presented to the Board, no later than April 12, 2007, and until such time that this plan is reviewed by the Board, a moratorium shall be placed on all professional service and managerial service contracts.

---

Commissioner Steele, seconded by Commissioner Murphy, moved that the Proposed Resolution be referred to the Committee on Finance. (Comm. No. 285078). **The motion carried unanimously.**

**CERMAK HEALTH SERVICES OF COOK COUNTY**

**CONTRACT ADDENDUM**

Transmitting a Communication from

DAVID FAGUS, Acting Chief Operating Officer, Cermak Health Service of Cook County

requesting authorization for the Purchasing Agent to amend and increase by \$8,694,148.25 \$9,221,770.11, Contract No. 06-45-574 with Isaac Ray Center, Inc., Chicago, Illinois, for psychiatrist and psychologist professional services for detainees with mental health problems at the Department of Corrections.

Board approved amount 06-06-06:	\$10,989,568.00
Increase requested:	<u>8,694,148.25</u> <u>9,221,770.11</u>
Adjusted amount:	<u>\$19,683,716.25</u> <u>\$20,211,338.11</u>

Reason: This request is necessary to allow the Juvenile Temporary Detention Center participation in the Cermak Health Services of Cook County contract. To insure compliance with the Federal District Court, Cook County, via the Cook County Juvenile Temporary Detention Center (JTDC) Medical Unit is required to increase mental health services and programming for the children housed at the JTDC as a result of the Doe v. Cook County case. The requirement of the court is that the County be in "substantial compliance" by mid-summer 2007.

Extending the Isaac Ray Center, Inc. contract allows us to maximize the short time the court has provided to meet the court requirement of "substantial compliance". It is a goal of the County to insure that the children at JTDC receive quality care from expert providers to provide the best opportunity possible for the children to re-enter the community with the greatest potential to improve their lives. Isaac Ray Center enjoys an excellent reputation in the field of correctional mental health care and has provided many years of outstanding service to the County through its mental health programs for the detainees at the Cook County Jail. The expiration date of the current contract is August 31, 2010.

67th Street at East Avenue

in the Villages of Brookfield, Hodgkins and LaGrange in County Board District #16

Section: 02-B7021-03-CH

Fiscal Impact: \$1,550,000.00 from the Motor Fuel Tax Fund (600-600 Account)

On June 4, 2002, your Honorable Body approved an Improvement Resolution appropriating \$750,000.00 towards completion of this intersection project. Subsequent to this improvement resolution, the Department became aware of the fact that the pavement along 67th Street, East Avenue and Eberly Avenue was rapidly deteriorating and in need of repairs due to increased truck traffic in the area. During plan preparation, for ease of accounting and construction efficiencies, improvements along these three (3) roadways were combined with the adjacent intersection improvement for letting as one construction contract. Additional funding is required due to expansion of the improvement scope to include full depth concrete patching of the existing pavement, removal of the existing bituminous surface and/or diamond grinding of the entire concrete pavement surface, bituminous overlay, pavement widening, concrete curb and gutter installation and traffic protection.

JOURNAL OF PROCEEDINGS FOR FEBRUARY 21, 2007

Ladies and Gentlemen:

Your Committee on Finance of the Board of Commissioners of Cook County met pursuant to notice on Friday, February 9, 2007 at the hour of 10:00 A.M. in the Board Room, Room 569, County Building, 118 North Clark Street, Chicago, Illinois.

Your Committee has considered the following items and, upon adoption of this report, the recommendations are as follows:

284782 COOK COUNTY ASSESSOR'S OFFICE DATABASE FEES (PROPOSED ORDINANCE). Submitting a Proposed Ordinance sponsored by Elizabeth "Liz" Doody Gorman, County Commissioner; Co-Sponsored by William Beavers, Jerry Butler, Forrest Claypool, Earlean Collins, John P. Daley, Gregg Goslin, Roberto Maldonado, Joseph Mario Moreno, Joan Patricia Murphy, Anthony J. Peraica, Mike Quigley, Timothy O. Schneider, Peter N. Silvestri, Deborah Sims, Robert B. Steele and Larry Suffredin, County Commissioners.

The following is a synopsis of the Proposed Ordinance:

PROPOSED ORDINANCE

**COOK COUNTY ASSESSOR'S OFFICE DATABASE FEES**

**NOW, THEREFORE, BE IT ORDAINED**, by the Cook County Board of Commissioners that Chapter 2, Article IV, Section 2-315 is hereby enacted as follows:

Division 7. Assessor

**Sec. 2-315. Cook County Assessor's Office database fee.**

- (b) *Fee Imposed.*
- (c) *Agreement Form.*
- (d) *Fee Requirements.*
- (e) *Effective Date.*

**\*Referred to the Committee on Finance on 02/06/07.**

Commissioner Silvestri stated that this is a fee for a service that we are currently providing for free, and that it will generate approximately \$1 million per year.

Commissioner Suffredin voiced his approval of this item and stated that the County should have been licensing these databases in the past. He further stated that this item was part of Assessor Houlahan's proposed revenue projections.

Chairman Daley inquired of John Fallon, Special Assistant to the Assessor, Cook County Assessor's Office, whether this \$1.1 million revenue estimate was discussed with Comptroller Knorr.

JOURNAL OF PROCEEDINGS FOR FEBRUARY 21, 2007

Mr. Fallon stated that he did attempt to reach Mr. Knorr prior to his departure. He further stated that he met with the Budget Department yesterday.

Barbara Bruno, Director, Cook County Department of Revenue, stated that the Department of Revenue had not analyzed any of these numbers.

Mr. Fallon stated that the figures are generated by a conservative estimate of eight users at \$60,000 and twenty users at \$30,000.

Chairman Daley stated that if this expected revenue is not generated in full, the balance will be removed from the Cook County's Assessor's budget.

Mr. Fallon replied that he and his colleagues are very confident that all projected revenue will be generated. He further stated that the Assessor's Office is preparing to use some of this projected revenue toward meeting the 17% budget cuts.

**Chairman Daley asked leave to add all Commissioners as co-sponsors.**

**Commissioner Silvestri, seconded by Commissioner Murphy, moved that the proposed ordinance (Communication Number 284782) be approved and adopted. The motion carried.**

PROPOSED ORDINANCE

**Article VII. Wagering Location Facility Entrance Fee**

**Sec. 54-330. Title.**

Commissioner Silvestri inquired how this entry fee relates to other municipalities with betting facilities.

Ms. Bruno replied that the Illinois Compiled Statutes allow a local municipality and county to collectively levy two dollars. She further stated that, to her knowledge, the City of Chicago is the only municipality that is currently charging one dollar.

Patrick T. Driscoll, Jr., Deputy State's Attorney, Chief, Civil Actions Bureau, further clarified that both the municipality's levy and the County's levy are capped at one dollar each.

Ms. Bruno read the following excerpt from the Illinois Compiled Statutes: "Any municipality or County that has a board-licensed inter-track wagering location, board-licensing meaning the Illinois Racing Board, a facility wholly within its corporate boundaries, may each impose an admission fee not to exceed one dollar per admission to such inter-track wagering location facility, so that a total of not more than two dollars per admission may be imposed."

Commissioner Goslin inquired if the revenue would be routed to the Cook County Bureau of Health Services.

Thomas J. Glaser, Chief Financial Officer, replied that this can be done, but that if the revenue were sent to the General Fund, it could instead be allocated according to need.

Commissioner Schneider voiced the following reasons that the tax would prove detrimental to the County: The levy would act as a disincentive to OTB patrons at a time when the industry is already in

decline. With loss of patrons, related spending would decline (in areas such as meals and alcoholic beverages). This would result in lower sales tax revenue for the County.

Commissioner Beavers inquired whether there was anyone present from the racing industry.

Chairman Daley responded that the Secretary had informed him that there was not.

**Commissioner Butler, seconded by Commissioner Goslin, moved to amend Section 54-333, such that the fees shall be used for the purpose of the General Fund. The motion to amend carried. Commissioner Schneider voted no.**

**Chairman Daley asked leave to add all Commissioners as co-sponsors, with the exception of Commissioner Schneider.**

284784 AN AMENDMENT TO CHAPTER 32 FEES (ENVIRONMENTAL CONTROL) (PROPOSED ORDINANCE AMENDMENT). Submitting a Proposed Ordinance Amendment sponsored by Mike Quigley, County Commissioner; Co-Sponsored by Gregg Goslin, Roberto Maldonado and Joan Patricia Murphy, County Commissioners.

The following is a synopsis of the Proposed Ordinance Amendment:

PROPOSED ORDINANCE AMENDMENT

**AN AMENDMENT TO CHAPTER 32 FEES (ENVIRONMENTAL CONTROL)**

**WHEREAS**, Cook County is a home rule unit of local government pursuant to Article 7, Section 6a of the Illinois Constitution of 1970 with power to regulate those matters which pertain to its government and affairs; and

**WHEREAS**, the Cook County Department of Environmental Control enforces the Environmental Control Ordinance, which regulates air pollutants, noise, vibration, indoor asbestos abatement, and solid waste management; and

**WHEREAS**, the Department of Environmental Control charges fees to offset the cost of inspecting and permitting regulated activities and to encourage the prudent use of natural resources; and

**WHEREAS**, the costs of operating the Department of Environmental Control and the public health costs of air-pollution-related illnesses have grown in recent years, while the fees charged by the Department of Environmental Control have not changed in more than a decade; and

**WHEREAS**, fees for similar services charged by the City of Chicago and State of Illinois are significantly higher than the fees currently charged by Cook County.

**NOW, THEREFORE, BE IT ORDAINED**, by the Cook County Board of Commissioners that Chapter 32 of the Cook County Code is hereby amended as follows:

**Sec. 32-1. Fee Schedule.**

**Effective Date:** This Ordinance shall take effect upon passage.

**\*Referred to the Committee on Finance as Amended on 02/06/07.**

Commissioner Quigley delivered the following remarks: Donna Dunnings, Budget Director, submitted a letter dated February 5, 2007 to Commissioner Goslin, which included a fee study that was completed some time ago. The Department of Environmental Control has not increased its fees since 1973. This fee would generate an additional \$5.6 million per year. In a memorandum addressed to Chairman Daley, Kevin Givens, the Director of the Cook County Department of Environmental Control, has released an up-to-date adjustment. His estimate for the fiscal year 2007 is \$3,353,713. For a full year it would be closer to \$4 million. This fee is long overdue and is not burdensome.

**Commissioner Quigley, seconded by Commissioner Goslin, moved that the ordinance (Communication Number 284784) be approved and adopted. The motion carried.**

JOURNAL OF PROCEEDINGS FOR FEBRUARY 21, 2007

284785      ORDINANCE REGARDING CHAPTER 58, ARTICLE V, SECTION 164 REGARDING MOTOR VEHICLES, SEIZURE AND IMPOUNDMENT (PROPOSED ORDINANCE). Submitting a Proposed Ordinance sponsored by Larry Suffredin, County Commissioner.

The following is a synopsis of the Proposed Ordinance:

PROPOSED ORDINANCE

**BE IT ORDAINED**, by the Cook County Board of Commissioners that Chapter 58, Article V, Section 164 is hereby enacted as follows:

**Section 58-164. Motor Vehicles, Seizure and Impoundment.**

- (a) *Definitions.*
- (b) *Owner liability; exceptions.*
- (c) *Seizure and impoundment.*
- (d) *Vehicle impoundment hearing.*
- (e) *Notification of impoundment; hearing scheduled; failure of owner to appear; determination; penalty*
- (f) *Administrative penalty constitutes debt owing to County.*

**Section 58-165. Qualified Violations for Impoundment.**

**\*Referred to the Committee on Finance on 02/06/07.**

Commissioner Suffredin stated that the ordinance would create an impoundment fee schedule which would generate just under \$1 million per year, based upon the number of cars that are impounded.

Commissioner Beavers inquired how this ordinance relates to the Illinois Motor Vehicle Code.

Matthew Walsh, Deputy Chief, Cook County Sheriff's Police Department, replied that this ordinance is consistent with Illinois law.

Commissioner Beavers inquired as to the process of impoundment.

Mr. Walsh replied that the County works with twenty-one towing companies, which charge a fee of \$130 to \$150. Various other municipalities charge impound fees ranging up to \$500. Cook County would have a twenty-four hour patrol desk where the individual would pay a \$500 fee and obtain a receipt. The individual would then go to the tow yard during regular business hours to retrieve the vehicle.

Commissioner Murphy asked for clarification of the term "curfew" included in the ordinance.

Commissioner Suffredin replied that this category of offense was removed from the ordinance in a proposed amendment.

Commissioner Quigley noted that Mr. Givens had just informed him that the projected revenue for the current year from the proposed fee increase is \$1.2 million.

Commissioner Collins voiced concern that the County does not have the resources to conduct administrative hearings for impoundment.

JOURNAL OF PROCEEDINGS FOR FEBRUARY 21, 2007

Commissioner Suffredin replied that this would be done through the existing court system, with the County's courtrooms, State's Attorney personnel, with a judge presiding.

Commissioner Butler voiced concern that the ordinance does little to address the situation where an individual is driving the car without the knowledge of the owner.

Commissioner Silvestri made the following remarks: The ordinance exempts stolen vehicles which are reported to the police within twenty-four hours. The ordinance also exempts the situation where a violation occurred without the knowledge of the person who controls the vehicle. There is an impoundment hearing, at which the owner can make a case for the vehicle to be released and the fee waived.

Mr. Walsh stated that the vehicle owner has a right, within twelve hours, to request a vehicle impoundment hearing. If the vehicle is stolen, it will be returned to the owner-of-record immediately; no fees will be charged and the towing fee will be waived.

Commissioner Silvestri inquired whether the ordinance gives the Sheriff's Office the authority to waive the fee if the vehicle owner cannot afford to pay it.

Commissioner Suffredin replied in the negative.

Vice Chairman Sims suggested that it would be economical for the County to develop the capability of in-house towing and impounding.

Commissioner Steele urged that the County be more aggressive in obtaining profit sharing with the towing companies, which in some cases obtain salvage title and then profit from the sale of the cars.

Commissioner Claypool echoed this sentiment.

**Commissioner Suffredin, seconded by Commissioner Silvestri, moved that the ordinance (Communication Number 284785) be approved and adopted.**

PROPOSED AMENDMENT TO COMMUNICATION NUMBER 284785

Sponsored by Larry Suffredin, County Commissioner

Sec. 58-164(b), should read as follows:

Any such vehicle shall be subject to seizure and impoundment pursuant to this division. This subsection shall not apply if:

720 ILCS 555/2 Curfew

**Commissioner Suffredin, seconded by Commissioner Silvestri, moved that the amendment to the proposed ordinance be approved. The motion carried. Commissioners Beavers, Butler and Claypool voted no.**

**On the motion to approve and adopt the ordinance (Communication Number 284785) as amended, Commissioner Butler called for a Roll Call, the vote of yeas and nays being as follows:**

**THE HONORABLE LARRY SUFFREDIN, COUNTY COMMISSIONER**

Sec. 58-164. Motor Vehicles, Seizure and Impoundment.

(a) *Definitions.* The following words, terms and phrases, when used in this section, shall have the meanings ascribed to them in this subsection, except where the context clearly indicates a different meaning:

*Owner of record of a vehicle* means the record title holder.

(b) *Owner liability; exceptions.* The owner of record of any motor vehicle which vehicle is used during the commission of any of that violates any of the qualified violations as set forth in Section 58-165 shall be liable to the County for an administrative penalty of \$500.00 plus any towing and storage fees applicable under this division. Any such vehicle shall be subject to seizure and impoundment pursuant to this division. This subsection shall not apply if:

(1) The vehicle used in the violation was stolen at the time and the theft was reported to the appropriate police authorities within 24 hours after the theft was discovered or reasonably should have been discovered; or

(c) *Seizure and impoundment.* Whenever the sheriff or his agent has probable cause to believe that a vehicle is subject to a seizure and impoundment pursuant to this division, the sheriff shall provide for the towing of the vehicle to a facility controlled by the County or its agents. Before or at the time the vehicle is towed, the Sheriff shall notify any person identifying himself/herself as the owner of the vehicle or any person who is found to be in control of the vehicle at the time of the alleged violation of the fact of the seizure and of the alleged violation and of the vehicle owner's right to request a vehicle impoundment hearing to be conducted under this section. The sheriff may issue rules and regulations related to this Section for enforcement notification procedures and proper forms necessary for administration of this Section.

(d) *Vehicle impoundment hearing.* Whenever the owner of record of a vehicle seized pursuant to this division makes a request in person and in writing for a vehicle impoundment hearing within 12 hours after the seizure, a hearing officer of the County shall conduct the vehicle impoundment hearing within 24 hours after the seizure excluding Sundays and legal holidays. All interested persons shall be given a reasonable opportunity to be heard at the vehicle impoundment hearing. The formal and technical rules of evidence shall not apply in the conduct of the hearing. Evidence, including hearsay, may be admitted only if it is a type commonly relied upon by reasonably prudent persons in the conduct of their affairs. If, after the hearing, the hearing officer determines that there is probable cause to believe that the vehicle is subject to seizure and impoundment under Subsection (a), the hearing officer shall order the continued impoundment of the vehicle as provided in this division unless the owner of the vehicle posts with the County a cash bond in the amount of \$500.00 plus any applicable towing and storage fees.

(e) *Notification of impoundment; hearing scheduled; failure of owner to appear; determination; penalty.* Within ten days after a vehicle is seized and impounded pursuant to this division, the County shall notify by certified mail, return receipt requested, the owner of record of the date, time and location of a hearing that will be conducted pursuant to this division. The hearing shall be scheduled and held, unless continued by order of the hearing officer, no later than 30 days after the vehicle was seized. The hearing shall be conducted by a hearing officer of the County. All interested persons shall be given a reasonable opportunity to be heard at the hearing. If, after the hearing, the hearing officer determines by a preponderance of evidence that the vehicle violated this Section and that none of the exceptions described in Subsections (b)(1)--(b)(2) of this section applies, the hearing officer shall enter an order finding the owner of record of the vehicle civilly liable to the County for an administrative penalty in the amount of \$500.00. If the owner of record fails to appear at the hearing, the hearing officer shall enter a default order in favor of the County requiring the payment to the County of an administrative penalty in the amount of \$500.00. If the hearing officer finds that no such violation occurred, the hearing officer shall order the immediate return of the owner's vehicle or cash bond.

(f) *Administrative penalty constitutes debt owing to County.* If an administrative penalty is imposed pursuant to this division, such penalty shall constitute a debt due and owing to the County. If a cash bond has been posted pursuant to this division, the bond shall be applied to the penalty. If a vehicle has been impounded when such a penalty is imposed, the County may seek to obtain judgment against the vehicle or enforce such judgment against the vehicle as provided by law. Except as provided otherwise in this division, a vehicle shall continue to be impounded until:

(1) The penalty, plus any applicable towing and storage fees, is paid to the County, in which case possession of the vehicle shall be given to the person who is legally entitled to possess the vehicle; or

(2) The vehicle is sold or otherwise disposed of to satisfy a judgment or enforce a lien as provided by law. If the administrative penalty and applicable fees are not paid within 30 days after an administrative penalty is imposed under Subsection (e) of this section against an owner of record who defaults by failing to appear at the hearing, the vehicle shall be deemed unclaimed and shall be disposed of in the manner provided for by law for the disposition of unclaimed vehicles. In all other cases, if the administrative penalty and applicable fees are not paid within 30 days after the expiration of time at which administrative review of the hearing officer's determination may be sought, or within 30 days after an action seeking administrative review has been resolved in favor of the County, whichever is applicable, the vehicle shall be deemed unclaimed and shall be disposed of in the manner provided by law for the disposition of unclaimed vehicles.

Except as otherwise specifically provided by law, no owner, lien holder or other person shall be legally entitled to take possession of a vehicle impounded under this section until the civil penalty and fees applicable under this division have been paid. However, whenever a person with a lien of record against an impounded vehicle has commenced foreclosure proceedings, possession of the vehicle shall be given to that person if the person agrees in writing to refund to the County the amount of the net proceeds of any foreclosure sale, less any amounts required to pay all lien holders of record, up to \$500.00 plus the applicable fees.

- C. A permit must be obtained from the Department of Revenue for each separately addressed operating location.
- D. A \$100.00 annual fee shall be charged to businesses within unincorporated Cook County to obtain an alarm user permit.
- E. The annual fee shall be due on January July 1st of each year or as determined by the Department of Revenue in consultation with the Cook County Sheriff's Police Department.

**Sec. 54-333. Permit Application**

  2. The name, address and telephone number of the premises where the alarm system is located.
  3. The type of alarm system at the protected premises.

Chairman Daley inquired as to the projected revenue from the proposed ordinance.

Commissioner Suffredin replied that the County can anticipate \$100,000 in permit fees, but the number of false alarms would determine the remaining amount. Last year there were 1,000 false alarms.

Commissioner Steele voiced concern that the \$100 permit fee might discourage usage; he suggested a lower fee.

Commissioner Beavers noted that one problematic situation is where the alarm goes off, the Sheriff's Office responds, the Sheriff's Office determines there was no burglary, and then the homeowner or business owner arrives the next morning to find that a burglary did occur.

JOURNAL OF PROCEEDINGS FOR FEBRUARY 21, 2007

Commissioner Suffredin replied that, as stated on page two of the ordinance, this situation is not considered a false alarm.

Commissioner Beavers stated that several false alarms should be permitted (instead of only one) before fees are imposed.

Commissioner Schneider inquired whether homeowners are required to buy a permit.

Commissioner Suffredin replied in the negative.

Commissioner Schneider inquired as to what municipalities charge for permits and false alarms.

Jay Rutili, Special Assistant to the Sheriff, replied that other municipalities, the Illinois Association of Police Chiefs, and entities throughout the United States all recommend this type of ordinance. Other municipalities charge less than \$100 for a permit, but there is more travel time involved with the Sheriff's Police, so a higher fee is appropriate.

Commissioner Collins inquired whether a fee is involved in the case of a homeowner's false alarm(s).

Commissioner Suffredin replied that there are not a significant number of residents in unincorporated Cook County that would be affected. There may, however, come a time in the future when an amendment including residents would be appropriate.

Commissioner Steele voiced concern over the protection of home-based businesses.

**Commissioner Suffredin, seconded by Commissioner Silvestri, moved that the amendment to the proposed ordinance be approved. The motion carried. Commissioner Steele voted present, and Commissioners Butler, Goslin and Peraica voted no.**

**Commissioner Suffredin, seconded by Commissioner Silvestri, moved that the ordinance (Communication Number 284786) be approved and adopted, as amended. The motion carried. Commissioner Steele voted present, and Commissioners Butler, Goslin, Peraica and Schneider voted no.**

Commissioner Maldonado noted that he had circulated several amendments to the proposed ordinance.

Commissioner Suffredin inquired as to the County's means of measurement.

Commissioner Maldonado replied that the County would be utilizing methods established by the United States Environmental Protection Agency. The companies would have to submit a biannual report disclosing their emission levels. He noted that two coal-fired power plants located in Chicago will qualify; they currently emit more than 2500 tons per year in sulfur dioxide.

**Commissioner Suffredin, seconded by Commissioner Butler, moved to amend the proposed ordinance by striking Section 4. The motion to amend carried. Commissioner Goslin voted no.**

Commissioner Suffredin inquired whether the administration and the Department of Revenue are comfortable with this ordinance, in terms of collecting a fee.

Ms. Bruno replied in the affirmative. She further stated that the Department questioned whether or not it would be considered an occupation tax, and therefore the amendment employs the term, "fee."

Chairman Daley requested that Mr. Driscoll look into the issue of whether this ordinance is a fee or a tax.

Mr. Driscoll replied that he would have an opinion on the matter by next Thursday.

Commissioner Schneider voiced concern that the two entities which would effectively be taxed by this ordinance were not invited to the meeting.

Chairman Daley asked the Secretary to the Board to call upon the registered public speakers.

Commissioner Maldonado stated that this ordinance would be a good way to recoup the cost of both the undue wear these vehicles cause to the highway system, and the health and environmental damage these vehicles cause. He further noted that gas-efficient vehicles would be exempt from the ordinance.

Commissioner Collins inquired as to how this fee would be collected.

Commissioner Maldonado replied that the flat fee would be placed on the vehicles as they are sold for retail purchase.

Mr. Driscoll stated that he would characterize this as a tax.

Commissioner Steele stated that this fee would come as an addition to three other costs associated with owning a SUV: increased gas consumption, increased fee for a City of Chicago vehicle sticker, and an increased insurance rate.

Ladies and Gentlemen:

Your Committee on Finance of the Board of Commissioners of Cook County met pursuant to notice for a public hearing on Tuesday, February 20, 2007 at the hour of 11:30 A.M. in the Board Room, Room 569, County Building, 118 North Clark Street, Chicago, Illinois.

Commissioner Maldonado delivered a brief overview as to why passing this Ordinance today is crucial to the health of many citizens. The human toxicity of sulfur dioxide emissions is undeniable; it causes widespread asthma (especially in children), as well as increased incidence of heart attacks and lung disease. The agreement that the company currently has with the State of Illinois would take eleven-to-fifteen years to fully implement. This Ordinance provides incentive for the cleanup to happen much sooner.

## **COOK COUNTY SULFUR DIOXIDE EMISSION TAX**

**WHEREAS**, sulfur dioxide is listed by the U.S. Environmental Protection Agency as a criteria air pollutant under the Clean Air Act, for which it sets health-based air quality standards; and

**WHEREAS**, sulfur dioxide gas emissions are known to cause adverse bronchial reactions, reduced lung function, destabilized heart rhythms, and premature death; and

**WHEREAS**, sulfur dioxide reacts with the air upon emission to form sulfate particles, a form of fine particulate matter, also listed as a criteria air pollutant, which is known to cause lung cancer, asthma attacks, heart attacks, and premature death; and

**WHEREAS**, the U.S. Environmental Protection Agency has designated the Chicago region as a nonattainment area for the fine particulate matter standard set in 1997; and

**WHEREAS**, the U.S. Environmental Protection Agency strengthened the fine particulate standard in September 2006, though not to the level that its own Clean Air Scientific Advisory Committee stated is necessary to protect public health; and

**WHEREAS**, sulfur dioxide emissions react with the air to form sulfuric acid, which falls to the earth as acid rain and can damage forests and crops, change the makeup of soil, make lakes and streams acidic and uninhabitable, and accelerate the decay of building materials and paints; and

**WHEREAS**, the Illinois Constitution, Article XI, Section 2, provides that each person has the right to a healthful environment; and

**WHEREAS**, in the same way the Cook County cigarette tax discourages smoking, due to the adverse public health and environmental effects caused by the release of sulfur dioxide into the air, such emissions should also be discouraged; and

**WHEREAS**, Cook County is a home rule unit of local government pursuant to Article VII, Section 6(a) of the 1970 Illinois Constitution; and

**WHEREAS**, the Cook County Board of Commissioners has determined that a County tax based upon emissions of sulfur dioxide should be imposed upon large sources of those emissions within Cook County.

### **NOW, THEREFORE, BE IT ORDAINED AS FOLLOWS:**

#### **SECTION 1. SHORT TITLE**

This Ordinance shall be known and may be cited as the "Cook County Sulfur Dioxide Emission Tax Ordinance".

#### **SECTION 2. DEFINITIONS**

For the purposes of this ordinance, the following terms are defined as follows:

- (1) Department means the Cook County Department of Revenue.
- (2) Emitter means a source emitting 2500 100 tons or more of sulfur dioxide in a twelve month period.

- (3) Measuring period means the twelve consecutive months prior to the effective date of this Ordinance.
- (4) Owner means a person or business entity of any type that has the right to possess, use, and convey the source.
- (5) Source means a stationary unit, including, but not limited to, power plants, steel processing plants, or refineries, the activities and operations of which cause the emission of sulfur dioxide.

### **SECTION 3. TAX IMPOSED**

In the exercise of the Home Rule Powers conferred by Section 6(a) of Article VII of the 1970 Illinois Constitution, a tax is hereby imposed upon sources that emit 2500 100 tons or more of sulfur dioxide in a twelve month period. The ultimate incidence of and liability for payment of the tax levied in this ordinance is to be borne by the owner of the emitting source. This tax shall be levied at a rate of \$400 for each ton of sulfur dioxide emitted in a twelve month period and shall be remitted on a semi-annual basis.

### **SECTION 4. DEPOSIT OF TAX PROCEEDS**

~~All proceeds resulting from the imposition of the tax under this article, including penalties, shall be paid to the Department. The Department shall direct every dollar collected from this article to be deposited in the fiscal year 2007 and subsequent years appropriation to the Cook County Bureau of Health Services.~~

### **SECTION 5. TAX IN ADDITION TO OTHER TAXES**

The tax imposed by this ordinance is in addition to all other taxes imposed by the Government of the United States, the State, or by any unit of local government.

### **SECTION 6. RULES AND REGULATIONS AUTHORIZED**

The Department shall, within three months of the effective date of this Ordinance, prescribe reasonable rules, definitions, and regulations not inconsistent with this Ordinance pertaining to the administration and enforcement of this ordinance. Such rules, definitions, and regulations shall include, but not be limited to, reasonable procedures for registration and collection and remittance of the tax levied in this ordinance upon the owners of emitting sources.

### **SECTION 7. REGISTRATION & REPORTING**

Those entities that qualify as emitters based upon their levels of sulfur dioxide emissions during the measuring period shall register with the Department within four months of the effective date of this Ordinance. A source may petition the Department for an exemption from the tax imposed herein if it has undergone significant modifications since the measuring period such that its sulfur dioxide emissions in the twelve months after registration will most likely not meet or exceed the threshold of 2500 100 tons. Such exemption shall be granted if the Department, after consultation with the Department of Environmental Control, is satisfied that the source will most likely not qualify as an emitter for the next twelve months.

An entity becoming an emitter after adoption of this Ordinance shall register with the Department within 20 days of the commencement of business.

JOURNAL OF PROCEEDINGS FOR FEBRUARY 21, 2007

All emitters shall file semi-annually with the Department a report of all sulfur dioxide emissions in such time and form as prescribed by the Department. Such reports shall employ the same process and methods of measurement as used for similar reports furnished to the state and federal Environmental Protection Agencies. The appropriate tax of \$400 for each ton of sulfur dioxide emitted during the reporting period shall be remitted along with the report.

**SECTION 8 7. PENALTIES**

It shall be deemed a violation of this ordinance to not remit the taxes imposed herein when due; such nonremittance shall be punishable by a fine of \$800 for each ton of sulfur dioxide emitted for which no tax was remitted. It shall be deemed a violation of this ordinance for any person knowingly to furnish false or inaccurate information required in this ordinance; such violation, along with any other violation, shall be punishable by a fine of not less than \$500 and not more than \$1000. For the purpose of this ordinance, interest shall be computed at the rate provided in Chapter 34, Article III of this Code.

**SECTION 9 8. EFFECTIVE DATE**

This ordinance shall enter into effect upon enactment.

**SECTION 10 9. SEVERABILITY**

If any one or more of the provisions of this Ordinance is declared unconstitutional or the application thereof is held invalid, the validity of the remainder of this Ordinance and the application of such provisions to other persons and circumstances shall not be affected.

Approved and adopted this 21st day of February 2007.

284417 URGING THE ILLINOIS GENERAL ASSEMBLY TO PASS REASONABLE LEGISLATION ESTABLISHING A STATEWIDE BAN ON SMOKING IN PUBLIC PLACES (PROPOSED RESOLUTION). Submitting a Proposed Resolution sponsored by Elizabeth "Liz" Doody Gorman, County Commissioner.

PROPOSED RESOLUTION

**A RESOLUTION URGING THE ILLINOIS GENERAL ASSEMBLY TO PASS  
REASONABLE LEGISLATION ESTABLISHING A STATEWIDE BAN ON  
SMOKING IN PUBLIC PLACES**

**WHEREAS**, there is dramatic evidence that tobacco smoke is a harmful and dangerous carcinogen to human beings and a hazard to public health; and

**WHEREAS**, many communities in Cook County have passed no smoking ordinances in an effort to protect their constituents and employees; and

**WHEREAS**, not all communities have passed such bans on smoking in public places creating an environment that is detrimentally affecting certain businesses; and

**WHEREAS**, this detrimental environment is causing Cook County businesses to suffer losses to collar counties where smoking is permitted; and

**WHEREAS**, when Cook County businesses fail, local property tax payers are adversely impacted by an increased share of the cost of government operations; and

**WHEREAS**, the only way to protect the public health and local businesses is to "level the playing field" by creating a uniform ban; and

**WHEREAS**, it is clear that the best solution to this public health hazard is for the Illinois General Assembly to pass a reasonable, uniform statewide ban on smoking; and

**WHEREAS**, legislation has been introduced in both the houses of the Illinois General Assembly that would create such a uniform ban on smoking in public places.

**NOW, THEREFORE, BE IT RESOLVED**, that the Cook County Board of Commissioners urges the Illinois General Assembly to pass a fair and equitable ban on smoking in public places; and

**BE IT FURTHER RESOLVED**, that a suitable copy of this Resolution be forwarded to the Governor and the leadership of both houses of the Illinois General Assembly.

**\*Referred to the Committee on Public Health Subcommittee on 01/23/07.**

**Vice Chairman Beavers, seconded by Commissioner Goslin, moved the approval of Communication No. 284417. The motion carried.**

Martin, Jr., Phd., M.P.H., Chief Operating Officer, Cook County Department of Public Health will address the Committee by reading an opening statement in reference to the item on the agenda. **A RESOLUTION URGING THE ILLINOIS GENERAL ASSEMBLY TO PASS REASONABLE  
LEGISLATION ESTABLISHING A STATEWIDE BAN ON SMOKING IN PUBLIC PLACES**

**WHEREAS**, there is dramatic evidence that tobacco smoke is a harmful and dangerous carcinogen to human beings and a hazard to public health; and

**WHEREAS**, many communities in Cook County have passed no smoking ordinances in an effort to protect their constituents and employees; and

**WHEREAS**, not all communities have passed such bans on smoking in public places creating an environment that is detrimentally affecting certain businesses; and

**WHEREAS**, this detrimental environment is causing Cook County businesses to suffer losses to collar counties where smoking is permitted; and

**WHEREAS**, when Cook County businesses fail, local property tax payers are adversely impacted by an increased share of the cost of government operations; and

**WHEREAS**, the only way to protect the public health and local businesses is to "level the playing field" by creating a uniform ban; and

**WHEREAS**, it is clear that the best solution to this public health hazard is for the Illinois General Assembly to pass a reasonable, uniform statewide ban on smoking; and

**WHEREAS**, legislation has been introduced in both the houses of the Illinois General Assembly that would create such a uniform ban on smoking in public places.

**NOW, THEREFORE, BE IT RESOLVED**, that the Cook County Board of Commissioners urges the Illinois General Assembly to pass a fair and equitable ban on smoking in public places; and

**BE IT FURTHER RESOLVED**, that a suitable copy of this Resolution be forwarded to the Governor and the leadership of both houses of the Illinois General Assembly.

Approved and adopted this 21st day of February 2007.

**PRESIDENT OF THE COOK COUNTY BOARD OF COMMISSIONERS**

**WHEREAS**, on Monday, February 26th the many friends and loved ones of Mrs. Ruby Lee Brown will come together to celebrate a genuine milestone, her 80th birthday; and

**WHEREAS**, this joyous occasion will provide an opportunity to applaud the accomplishments of one of the genuine pillars in our community; and

**WHEREAS**, for more than three decades, Mrs. Brown served with distinction as a committed employee of the Clerk of the Circuit Court of Cook County. In that capacity, Mrs. Brown put her natural “people” skills and Southern hospitality to good use, diffusing tension and injecting a little levity into a fast-paced, stressful environment. Mrs. Brown connected with and gained the respect of people from all walks of life. Whether a judge, clerk or a member of the general public in desperate need of information, everyone was treated with her signature “poised and professional” demeanor; and

**WHEREAS**, as a longtime friend and active supporter of the Eighth Ward Regular Democratic Organization, and the Women’s Auxiliary, Mrs. Brown has participated in countless political functions and rallies over the years. As a full-time clerk, mother, friend and wife, Mrs. Brown “has fulfilled God’s mission” and her myriad contributions continue to serve as a source of inspiration and pride for others in her community; and

**WHEREAS**, the quintessential “self-made” woman, Mrs. Brown worked hard all of her life and stressed to her children the value of a strong work ethic; and

**WHEREAS**, Mrs. Brown’s vibrancy is clearly the result of her natural “zest for life,” as well as her attentive ear, compassionate heart and righteous actions. Moreover, Mrs. Brown is an active member of Christ Universal Temple and, remarkably, still drives her “money green” Cadillac each day for a vigorous workout at her local Y.M.C.A.; and

**WHEREAS**, Mrs. Ruby Lee Brown is the consummate role model who continues to set a fine example for all to follow.

**NOW, THEREFORE, BE IT RESOLVED**, that the President and the Cook County Board of Commissioners, on behalf of the more than five million residents of Cook County, in recognition of her contributions to our world and 80 years of positive living, do hereby send best wishes to Mrs. Ruby Lee Brown for continued good health and for a joyous and memorable 80th birthday celebration; and
